Username: student02@california_ss.com Password: Review Reviewer's Guide Access MindTap National Geographic Learning's Medieval and Early Modern Times presents a high-interest, student-friendly record of human history. Social Studies content is offered in a dual pathway of print materials and a state-of-the-art digital platform-both in English and Spanish-to enhance the learning process and aid teachers in planning and instruction. The Field Journal that accompanies Medieval and Early Modern Times is meant to be the student's space to comment on ideas raised in "Why Study History" and lessons in each chapter. The Knowledge, Concepts, and Skills workbook provides vocabulary practice, biographies, social studies skills reading and writing lessons, and document-based question templates for each chapter. 195,000 words based on page count ISBN-10: 0618277471 ISBN-13: 9780618277476 Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills.
